IMPORTANT INFORMATION

Eligibility for provincial health care benefits is based on residency in British Columbia. Residents are required, by law, to enroll themselves and their dependents with MSP. Under the *Medicare Protection Act*, **RESIDENT** means a person who is a citizen of Canada or is lawfully admitted to Canada for permanent residence, makes his or her home in British Columbia, and is physically present in British Columbia at least 6 months in a calendar year, and includes a person who is deemed under the regulations to be a resident but does not include a tourist or visitor to British Columbia.

DEPENDENT - includes a spouse and children who are residents of BC.

SPOUSE - means a resident who is either married to or is living and cohabiting in a marriage-like relationship with the applicant and may be of the same gender as the applicant.

CHILD - Means a resident who is the legal ward or child of the applicant, is supported by the applicant, is neither married nor living and cohabiting in a marriage-like relationship, **and** is either age 18 or younger **or** age 19 to 24 and attending school or university full-time.

CITIZENSHIP/IMMIGRATION STATUS: Include with this form, photocopies of documents to show legal name and documents to support Canadian citizenship or the immigration status of the persons (including newborns) listed on the previous page. This information will be used to determine eligibility for enrollment and when benefits can begin. **(Photocopies must be included or application will be returned.)**

Canadian citizens and holders of permanent resident status (landed immigrants) returning from the USA may also be asked to provide evidence of having established residence in BC and/or having abandoned their US status.

ABSENCES: If you or any family member listed on this application expect to leave the province for more than 30 days in total during the next 6 months, a letter outlining your planned date of departure, where you will be, the reason for the absence and your expected date of return is required.

If you or any family member listed on this application have been outside BC for more than 30 days in total during the past 12 months, a letter is required giving all dates of departure from BC, your whereabouts, the reason for each absence and all dates of return to BC.

If you or any family member spend part of each year outside the province you must reside in Canada at least 6 months in a calendar year, and continue to maintain your home in BC, to qualify for provincial health benefits.

OUT-OF-PROVINCE STUDENT: If studying outside BC the absence must be temporary and solely for the purpose of attending school or university. Also, if studying outside Canada, proof of school registration as a foreign student for the current term is required. Benefits are available for a maximum of five years while studying outside the country.

CHANGE OF PERSONAL INFORMATION: If the names or birthdate which appear on the CareCard need changing, you are required to include a photocopy of a legal document indicating the cardholder's correct name or birthdate (such as one of the documents listed under STATUS IN CANADA or a marriage certificate or change of name certificate).

RESIDENTIAL AND MAILING ADDRESS: ALL CHANGES OF ADDRESS MUST BE REPORTED IMMEDIATELY TO MSP

As you must be a resident of British Columbia to be eligible for provincial health benefits, your current residential address is required. An application received without a residential address will be returned.

LEGISLATION: All information is subject to change in accordance with the *Medicare Protection Act* and Regulations and the *Hospital Insurance Act* and Regulations. If a discrepancy exists between the information MSP has provided on this application and the legislation, the legislation will prevail.

Personal information on this form is collected under the authority of the *Medicare Protection Act*. The information is used to determine residency in BC and determine eligibility for provincial health care benefits. If you have any questions about the collection of this information, contact an MSP client service representative at the address and telephone numbers shown.
